Daniel Part 2 A Precept Study

Does the turmoil in our times, the uprisings and the spiritual decay of many have anything to do with the Book of Daniel? Daniel was a man who knew what God said about the end times. He focused on what God said, not the events of his own time. He had an impact on the people that God placed in his life.

How do you live as a Daniel in the crucial days in which you find yourself? How can you dare to be different? How do you get to know God Most High?

Led by Robin Ford
