

The Good Samaritan Clinic (GSC)

The Good Samaritan Clinic is a Christian ministry that provides primary health care, dental care, information, and referral for the low-income and medically uninsured in West Alabama. The GSC hopes to reach the many people who "fall through the cracks" of healthcare services. The GSC seeks to assist this segment of society with community spirit and volunteerism. A portion of the proceeds of this year's tournament will go to support the Good Samaritan Clinic.
