"Want to meet a physical need while also filling a spiritual need? Come serve at SMOC! You do not have to know how to change oil to serve! During this event, single mothers, widows, or wives of military husbands, will not only get their oil changed but will hear the Gospel. There are various opportunities to serve such as: oil changers, tire inflaters, check-in, food server, childcare, clothing pantry, and more. This is a very tangible way for us to love our community well."

MISSION SCHOLARSHIPS

"We are called to "GO!"

The last thing we want is for funding to be the reason why someone cannot go on mission. To help encourage every member to help reproduce their faith, we have established scholarships to help offset the costs of going on mission at FBC. Funds have been made available by the generosity of our faith family through the giving of their tithes and contributing to the Nannie Lee Lackey Mission Offering to aid others in going on mission trips. Applications for scholarships are available online through our Church Center app and also available in the church office."
