

# 2023 OHIO *Men's Retreat*

## "OWN YOUR CALLING!"

January 19-21, 2023

### *Sermons*

Each year, the Lord moves in our time together as we worship and the speakers break open the Bread of Life!

### *Seminars*

This year we are adding a few break-out sessions for our pastors and laymen. These will be intentional to your calling and will add to your ministry toolbox!

### *Sharing*

There will be set times where we will break out into small groups for you to share, pray and learn from each other.
