

The Creation Care Team is touched by your generosity in donating funds to plant three trees on the AUMC property. The trees were planted on May 8, 2025, and a short dedication ceremony was conducted on June 1. Enjoy these trees as they grow and mature and remember those on behalf you donated the funds!

Bless you and Thank you!

Please, if you see anything that needs to be corrected or there is missing information, do let us know!
