

Jesus said, "Therefore GO and MAKE disciples of all nations"

Missions are a significant part of Family Church. We strive to follow the scriptures written in Matthew 28:18-21 and Acts 1:8, that we are to bring the message of Jesus to all nations and people through actively supporting missions throughout West Michigan, the United States, and international mission partners in El Salvador, Brazil, Democratic Republic of Congo, and Kenya. Each year we send multi-generational mission teams to different parts of the world to support our partners and bring the hope of Jesus.

Family Church Missions focuses on three core principles..

Mobilization

Moving people from inside the walls of the church out into the community and to the ends of the earth.

Development

Raising up, equipping, launching and coaching people from Family Church into full-time ministries locally and around the world.

Church Planting & Revitalization

Recognizing where God is building His Church and joining in those efforts to develop, train, network, and resource groups of people to either strategically plant new churches or revitalize dying churches no matter where they are located on planet earth.
