

"Give thanks to the Lord,
for He is good;
His love endures forever."
- Psalm 107:1

With Thankful Hearts

This Thanksgiving, we're pausing to celebrate what God has done — and to thank Him for you.

Your partnership helps women in Guatemala find safety, healing, and purpose. Because of you, families are being restored, skills are being learned, and hope is being renewed every day.

We're so grateful to walk this journey of rescue and restoration together.

With love and gratitude,
