

**October 2025**

**Dear Supporters and Friends,**

We've jumped right back into life and ministry here in France after a refreshing summer. The boys are happy to be back at school. Trip (2nd grade) is eager to learn, and although Theodore (kindergarten) is enjoying recess more than class, by the end of the school year, he will be starting to read and do simple math. Inès is keeping us on our toes at home, pulling up and trying hard to chase the cat!

It was a joy to reunite with Christine and Noel at our Thursday night Bible study in the 13th arrondissement. They were thankful for those who continued the Bible lessons during our absence and have expressed interest in a Sunday worship service. Please pray for our **first preview service on Sunday, October 26th**, a key step toward launching weekly Sunday gatherings.

Kyle had the opportunity to preach in Mantes-la-Jolie in September. We are planning a **baptism service on October 12th**. Sylvia has completed her baptism courses and is ready to take this important step of faith. Please pray for this outreach event as the church members invite family, friends, and people from the local community.

Kyle also made a day trip to the north to visit Jeremy and Esther, a young couple sent from the church in the 15th to pastor a church in Somain. In just four months, they've seen new visitors, salvations, baptisms, and members eager to serve. Though they haven't yet found work locally, they have stepped out in faith and are trusting the Lord to provide for their needs as they follow His calling. If you are looking to support a national pastor in France, we highly recommend them and would be glad to help facilitate support.

Thank you for your prayers, encouragement, and partnership in the Gospel!

In Christ,

The Guins Family
