

November 2025

Dear Supporters and Friends,

First of all, we want to thank you for your prayers and kind messages concerning our first Sunday service at the Bible Center. Our team felt that it went very well, despite a few hiccups with the music and technology. We had one visitor, Joachim, who is religious but not yet a believer. Praise the Lord for directing him our way!

We were encouraged by the involvement of Christine and Noël in the service. Kyle had asked if they would be willing to take on certain tasks, and they accepted with enthusiasm. It was wonderful to see them taking ownership and responsibility in what already feels like *their* church, even though we are not yet officially established.

The church in Mantes-la-Jolie has had a difficult month, as they were indirectly affected by an arson incident the Friday before Sylvia's baptism (October 10th). In response to the fire, firefighters flooded the building, causing significant water damage to the ceiling and roof. As a result, the congregation was without its meeting space for four weeks, and the baptism was postponed to this past Sunday, November 9th. The members are thankful to be back in their building now, and it was a joyous time to rejoice with Sylvia in her public profession of faith! Please pray for the church as there is still damage that needs to be repaired, and the insurance process could take many months.

At the end of October, we celebrated Theodore's fifth birthday! He and Kyle took a special trip state-side for a missions conference, and he thoroughly enjoyed the one-on-one time and special treats. After returning home on the 22nd, we celebrated again with one of his favorite meals and a homemade cake the following day.

Thank you once again for your prayers, encouragement, and support. We are so grateful for each of you who partner with us in this ministry.

In Christ,

The Guins Family
