## WENDY'S WARRIORS

I am so thankful for the individuals who pray for me on a regular basis. I especially felt the prayer support as I debriefed a recent guest. Prayer is so important to the work that I am doing. If you haven't already joined, I would love to have you join Wendy's Warriors. You will receive a short email with time sensitive prayer requests. If you are interested, just send me an email with Wendy's Warriors in the subject line.

## SEPTEMBER BLESSINGS

NO HURRICANES!! Though the official hurricane season isn't over, I am so grateful that things have been very quiet this year in the Gulf. God has graciously allowed me the time and space to settle in without that concern hanging over my head. Praise God with me!!

BLESSING GUESTS!! Throughout the last several months, there have been multiple booking inquiries. Because of limited space, I haven't been able to accommodate all of them. It was an honor to spend nearly a week with a guest this month. I am looking forward to welcoming several guests in October for shorter stays. It has been exciting to see the Blessing become a reality.

FAITHFUL MINISTRY PARTNERS!! Without you, none of this would be possible. Your cards, text messages, and phone calls have upheld me through the many transitions over the past few months. Regular donations, unexpected ones, and even a few anonymous ones have reminded me that I am not alone. God has given me an incredible team!!

FRENCH BIBLE STUDY!! This past Thursday, I was able to meet once again online with a great group of ladies in France. Some are Jesus followers, and some are exploring the Bible for the very first time. I have been blessed to see transformed lives as these women dive into God's Word.

## OCTOBER PETITIONS

MY COMPUTER . . . I have been having problems with my computer since late July/early August. It isn't an internet issue, virus, or outdated computer (just over 1 year old). I have tried multiple things on my own to no avail. Pray for wisdom to find a solution as I use it daily.

SUSTAINABLE RHYTHMS . . . The Blessing is a new ministry. I need to make wise decisions so that I do not get burned out. Besides the physical preparations involved between guests, I know that I also need some time to prepare myself emotionally, mentally, and spiritually for each guest.

LOCAL COMMUNITY . . . There are many good churches in the area. I need God's direction for this important decision. Please pray that God would give me some local friends. Pray also that I would be a light in my community.
