

## September...At a Glance

Dear friends and family, here is a quick update from this past month. Thank you for your partnership in the gospel. Please let me know how I can be praying for you!

### Language Learning

Here are some photos of my language school, which is in the historical district of my city, close to the center plaza. I can't believe it has already been a month of classes! When I met up with my Spanish friend Cristiana, we spent over half the time talking in Spanish. She told me that every time we get together, my Spanish keeps getting better. I know I have a lot more to learn and to remember how to use properly, but those were encouraging words to hear!

### Friendship Building

This month, I've been able to get together with old friends and new. One of my language classmates, Yuka, was here only for this month. We hung out several times, and I had the chance to explain a little about Christianity and how she could read the Bible in Japanese on an app. In addition, Brilla conversation classes start this week, and I'm looking forward to reconnecting with those friends, too!

### Other Events

\*\*\*This past Sunday afternoon we had a unified service of prayer and worship with 3 ABWE church plants in the Madrid area. It was an encouragement to sing and pray together, as well as to petition the Lord to do a work in the hearts of Spaniards and around the globe.

\*\*\*Tuesdays: A growing discipleship ministry...This semester I have 6 high school girls in my discipleship group, all in 11th grad. It's encouraging to see the increase in the number of participants and that so many students have a desire to grow spiritually!

\*\*\*And Wednesdays: Unified Bible study for middle school girls at ECA. Twelve girls attend, and over half of them are former students! I'm thankful to be pouring into their lives in this way.

**Praises:**

- A good first month of language school and the ECA Bible studies
- Becoming more comfortable speaking Spanish

**Prayer requests:**

- language learning
- friendships that lead to Gospel conversations
- ECA discipleship ministries (middle and high school girls)
- growth in the evangelical churches in Spain
