## SERVING IN

### FISANTEKRAAL, SOUTH AFRICA

SEPTEMBER  
2025

1 Corinthians 15:3-4 says: "For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures" Praise God for the completed work of our salvation and that because of that we can know Him and serve Him in making the Gospel known.

What a joy to see 7 young people accept Christ and see God work in the lives of others during the Winter Camps in July. Please pray for these young people and the pastors of the various churches that minister to them so that they will continue to mature in their walk with the Lord. We had several of our young people attend and Oda was home from school to help at camp.

Please continue to pray for our Bible School students that faithfully continue to attend and do the assignments while actively serving in their local churches. We are thankful for a young man, Riaan, that has surrendered to serve God full-time and is being trained by our coworker, Cal Lewis. Riaan recently preached from Philippians at Hope in Christ Baptist Church. With clear and humble preaching, he was a great blessing to our people. We are praying that we will see God raise up more pastors and missionaries for His work.

We are grateful for the many opportunities that God has given to share the Gospel. In the last few months we have seen some who have been coming place their faith in Jesus Christ. Please continue to pray for their spiritual growth. Amy has begun a new discipleship with two sisters, Petronella and Deidre, who accepted Christ as their Savior a few months ago. She also started a discipleship with a young lady, Mpho, who was saved recently. Together we were able to share the Gospel with another lady whose daughter was saved at camp. She said she was going to go home and pray to be saved. Please be praying for Rowena. We would also ask that

you pray for another of the young ladies that Amy disciples. She is struggling with a specific sin and the discipleship has changed to counseling. Please pray as this sin has a hold on her and she needs victory and we need God's help and wisdom.

It is exciting to see others growing in their walk with the Lord and actively serving in church and in sharing the Gospel. This last Sunday we had our best attendance in a long time in Junior Church. The weather is getting warm which may be helping! In church we are currently preaching through Galatians after finishing the book of Romans. In Bible study we are looking at "Who we are in Christ". Please pray that God will use His Word in His people's lives for His glory!

We are thankful for additional donations towards a 14 seater van. We now have \$16,400 of the \$42,000 we need, leaving \$25,600 to reach our goal. This van will be used to transport people to church from areas where we hope to plant more churches in the future, as well as to assist in transporting people in Fisantekraal to church. It will also allow us to transport our people to special ministry opportunities for which we currently have to hire a minibus taxi. If you are able to assist with this need, you can send your donation to Daystar Baptist Mission made out to the Cape Town Project Fund with the memo line of "The Van". Alternatively, you can give electronically using the QR code and on that page you can simply select "Cape Town Project".

Thank you for your ongoing support, love, and prayers for us and the work here! It is truly a joy to hear from many of you. Please know that we appreciate each and every one and we are praying that God will continue to bless and use you greatly!
