

# BRIDGING LONDON

December was full of Christmas outreach and fun! We hosted our annual "Christmas at the Bells" party in our home on Saturday December 6th. It was a wonderful way to kick off the Christmas season. Several members of our church had the great opportunity to share the Christmas story through song at a local care home for dementia patients on Sunday December 7th. It was wonderful to see the faces of the residents of Willett House brighten up upon hearing the carols they know so well. Also on that Sunday we had a wonderful Christmas Prayer & Praise Service. The Christmas music, Scripture readings, and times of prayer were very encouraging. Monday the 8th we held our last Midweek Group of the year. We enjoyed festive foods and studied God's Word together. This group is one of the great highlights of our week. Our church went out on the 16th & 18th of December to carol throughout Coldharbour estate. The focus of our carolling was to hand out invitations to our upcoming Carol Service on the 21st and Christmas Day service. We had a wonderful attendance at the Carol Service this year. Nearly 100 people were in attendance to sing carols and hear a message from Isaiah 7:14. Please pray for spiritual fruit from this meeting as most in attendance do not know the Lord. On Christmas Day, we held a family service at 10:30am. We had our biggest attendance of the year! Joshua & Ashley read the Christmas story and handed out gifts to all the children that morning and Joshua preached on "Jesus' Glorious Incarnation" from John 1:14. Many visitors were in attendance who do not attend anywhere else. Please pray they that will connect with our church. Lastly, it was wonderful to have Ashley's parents with us this Christmas. Having family here makes all the difference! Merry Christmas and a Happy New Year to you all!
