## Epicentro News!

We want to start this new year by simply saying thank you. Your prayers, encouragement, and faithful support are making an eternal difference here in Nicaragua—and the past few weeks have been a powerful reminder of that.

### *A Christmas Season Full of Joy and Salvation*

In less than one week, we hosted Children's Christmas Parties at five of our church works. What an incredible time! 250 children received Christmas gifts, heard the Gospel clearly, and 20 children accepted Christ as their Savior!

### *Starting the Year on Mission*

Our churches welcomed the New Year by serving together and helping our newest church plant in Los Rincones host a Vacation Bible School. God blessed that time in a special way, and we rejoiced as five more children trusted Christ. What a joy to see our churches working together to reach the next generation.

### *Big News: Property Purchased in Los Rincones!*

We are excited to share that we have purchased property in Los Rincones! The Lord provided us with a wonderful piece of land on the main road, giving great visibility and access for future ministry. Our prayer is to begin construction on a church building later this year. This is a huge step forward for this young church plant, and we are trusting God for wisdom, provision, and strength as we move ahead. Please consider giving to this construction need this year.

### *Upcoming Furlough (September–April)*

Jennifer and I will be returning to the U.S. for furlough from September through April. If you would like us to visit your church, participate in a missions conference, or be part of a missions emphasis, we would love to connect with you. Please feel free to reach out to us at [kennedys2nicaragua@gmail.com](mailto:kennedys2nicaragua@gmail.com).

Thank you for standing with us. Every prayer, every gift, and every word of encouragement is being used by God to change lives here in Nicaragua. We are deeply grateful to serve alongside you in what God is doing.
