

Dear Marsh Lane Baptist Church

We are so thankful for your continued prayers and support. As you may have seen in May, God answered in an amazing way. We hosted a special Saturday night event with games followed by a Sunday morning gathering, and in both we had fun times, warm community, and good conversations.

Our theme for the weekend was **"God, the Creator of Community"**—a timely message that helped connect those attending with God's heart for relationship. It was awesome to see how people responded.

We had a wonderful group attend, and even more encouraging was the people who, although they couldn't make it, **expressed genuine interest in coming to future events**. It's clear that God is slowly but surely stirring hearts and opening doors.

A huge **thank you to the Crabtrees**, who led the games and music. Their heart for ministry was clear and a blessing to us all.

Originally, we had only reserved a small room, but as we often see in God's provision, we were given access to a much larger space. This served as a clear reminder that **God provides more than we can ask or imagine**. We are thankful for God's blessing and answer to prayer.

Looking ahead, **we're hoping to host another event in June**, this time outdoors, as the weather allows. It would be a wonderful way to continue building relationships before we welcome **our baby at the beginning of July**. Please pray for good timing, clear planning, and that this next gathering would be just as fruitful.

PRAY WITH US:

That hearts from the gathering would be open to the Gospel
Continued community connections through gatherings
A successful outdoor event in June
A healthy delivery for baby Notz in July

Thanks so much for your prayers and support!

Justin & Katie Notz
