

Dear Friends & Partners

The Fall has officially started and Ulm is becoming colder day by day. If the change in season isn't enough to show us how the time is quickly passing, then the growth of our daughter Eliana surely is. Here are our latest updates:

INVESTING IN OUR PEOPLE:

Over the last couple months we've had some great opportunities to fellowship specifically with one family, **strengthening our connection** with them. For example, we were able to have a dinner & game night, Justin got to run in the **5K Einstein marathon** with them, we attended one of the kids' soccer games & even spent time together praying over the city and the church plant. During one of the bible studies, the mother expressed to us, that even though we may not see a vast progress, **we are a answer to her prayers**. She had been looking for a church & told us she finally found people she could connect with in the city and have a church family with. This encouraged us.

While growing closer together with the families and new connections, we were able to go out for a evening that is called the culture night in Ulm. The culture night show cases local talent from the city & here we were even able to support our neighbor who is playing in a band. Our Bible studies have continued and we are starting to **outgrow our living room** - What a blessing!

As some of you may know having a baby opens up some new opportunities to connect with people. Katie has been able to start attending **mother and baby groups** and also get to know some people who work for the city. We have seen how God has been preparing for other connections via Justin's mini job that are first now coming to fruition.

We are in the states for the month of November as amazingly German law allows one year of maternity leave. While this job has been a huge blessing, there has been some talk of people being laid off. We have prayed for **God to lead us** in whether or not it is time for Katie to serve in a full time capacity. Please pray with us, that if it be Gods will that He would guide and provide in that area.

PRAY WITH US:

Searching for a room or building for our Bible study
For future events and new connections
God's leading in regards to finances

Thanks so much for your prayers and support!

Justin & Katie Notz
