September 2025

Dear praying friends,

Summer Camp 2025—Reanimados! (Revived!) went really well and we thank all of you who prayed for our campers. This year we had a total of 98 people, including 41 adults. That was a new experience for all of us! What a blessing to have so many from the churches that wanted to come and help. Seven young people gave their lives to Christ. Our summer has finally cooled off. It has been close to 100 degrees for most of the summer. We have had a lot of fires in the country, even some close to us.

Praise the Lord we had two baptized in August, Rabi from Uganda and Jully from Brazil. Please pray for them. Rabi's husband is not a believer and Jully is a student studying in Portugal. We have lost 4 wonderful members who were here to study and now need to move on. We pray that God will continue to guide them and bring new members to the church.

We have also finally received word from the city government about our location. We started 3 years ago trying to get permission to buy our location. We were allowed to use it as a temporary location, until the city provided us with land to build on. That was 15 years ago. With the change in city government and delays, no one remembered us. Since our location is not technically suited for public use, we could not buy it. We are continually looking for and asking the Lord for an adequate location that will be permanent so that we do not continue to pay rent. Please pray for the Lord to show us the next step.

Thank you so much for being a part of this ministry!
