PAPER AIRPLANE PRAYER CRAFT

Take this paper & write out ALL of your prayers. Then, turn this sheet of paper into your BEST PAPER AIRPLANE! Send them across the room and be reminded that thankfully we do not have to rely on an airplane to take our prayers to God. He hears them no matter where we are or what is going on in our lives. Thank you God for hearing our prayers.

A large rectangular area with a dashed border, divided into five horizontal sections by dashed lines, intended for writing prayers.
