

Dear Church Family,

Thank you so much for the thoughts and prayers for my family and me after the unexpected loss of my brother, Rob Rish. The meal provided for us on the day of his service was delicious and very much appreciated. If there is one thing that I have been reminded of, it is that life is a precious gift, very uncertain and sometimes too short. We are not guaranteed tomorrow, and it is so important that we know with certainty where we will spend eternity. I have also been reminded of what a blessing it is to be a part of a church family that prays for you and shows up for you in your darkest times. You've not only covered me in your prayers since Rob's passing, but you've continued to pray for me after Mama's battle with Alzheimer's and her passing a year ago. I am very grateful for you.

Thank you again!

TBC FALL KICKOFF CHURCH WIDE FISH FRY

Was a GREAT success!
Thanks to all that helped!

We are kicking off a new ministry on Thursday night August 7th that is geared for ages 18-25. We are going to call it "The Bridge" as we look to help these young adults bridge the gap between their high school years and adulthood.

Dr. Wilton was the senior pastor for 29 years at TBC Spartanburg, SC, which has over five thousand members, one of them being Dr. Billy Graham. He has also served in numerous SBC positions. His biblical exposition and South African accent will keep you glued to his every word.

From the Pastor's Desk

It is an exciting time to be around TBC! August means kids going back to school, getting back in a routine, and a new church year starting as well. I am looking forward to a time of fellowship with the church family at the TBC Fall Kickoff this first Sunday night in August at 6:00 PM. I promise the free fish fry is hard to beat! We are also kicking off a new worship service on Thursday night August 7th that is geared for ages 18-25. We are going to call this service "The Bridge" as we look to help these young adults bridge the gap between their high school years and adulthood. What I am probably looking forward to the most in the coming weeks is ReConnect. We have been leading up to this for weeks with the sermons pointing us towards ReConnecting with God and the church. I promise you will not want to miss hearing Dr. Don Wilton. Dr. Wilton was the senior pastor for 29 years at FBC Spartanburg, SC, which has over five thousand members. He has also served in numerous SBC positions. His biblical exposition and South African accent will keep you glued to his every word. I believe ReConnect this year could continue the growth that we have been seeing already at TBC!

God Bless,
Bro. Ty
