

Thanks The Salt And Light Ministry extends grateful thanks to all the Sunday School classes who contributed the requested food and drink items that offset the cost of our November cookout. Many thanks to Anne Gibson for sharing her family camp with us. By all accounts, it was a wonderful evening enjoying one another's fellowship, singing, and heart-shared testimony by Chester Williams. As always, the Lord blessed us with a great meal as well.

"And we know that in all things God works for the good of those who love him, who have been called according to His purpose." Romans 8:28

From the Pastor's Desk

It is officially December, which means we are in the Christmas season already! It is hard to believe Christmas is almost here! We think of Christmas as a festive time full of family and food, decorations and presents, and time off and relaxation. However, Christmas time is difficult for many people who will be missing loved ones as they gather. It just seems timely that as we enter the holidays we are beginning this series of sermons on the book of Job. Through this series we are going to be studying the life of this man who had plenty of reasons to ask God "Why?", which is the title of the series. During this series we are also going to be hearing some testimonies from some of our church members who have had situations in their lives which have caused them to ask "Why?" If you are someone who struggles during the holidays, I surely believe that these Bible passages in Job and these testimonies will be of great help to you during this holiday season. So, you will not want to miss these upcoming Sunday services! I believe they are going to help us depend on God even more during this holiday season! Merry Christmas, Bro. Ty
