

Next Step Class – Session 7

The bible we use is the New Believer's Bible – First steps for new Christians by Greg Laurie

Let's watch the video for session 7 – “Worship”

Video notes:

- Definition of Worship: to ascribe worth, value; to pour out our affections and love upon God; express love, adoration, gratitude and thankfulness to God.

-There are many different expressions of worship, but the most important aspect of worship is the **object** of our worship.

- The object of our worship is God
- God wants us to worship Him in Spirit and in Truth

-What is the condition of my heart towards God?

-John 4 (page 107) Jesus and a Samaritan woman talk about worshipping God. The woman thinks the place to worship God is on a mountain. Jesus tells her God is not looking at the place where you worship God, but the condition of your heart towards Him.

-Worship God in Spirit and in Truth - John 4:23-24 (page 108)

We're searching for a preferred worship style, but God is searching and longing for those who will worship Him ***in Spirit*** (from the depth of our soul where the Holy Spirit dwells) and ***in Truth*** (based on the truth of God's word).

God designed me for Worship

- Sing, pray, lift hands, bow down, kneel, dance, tears, in community, or alone
- Body, soul, spirit are all involved in worship
- Christians worship the Triune God: Father, Son, Holy Spirit

Challenge for this week: You were created for worship. Go deeper in your worship of God. He deserves all the glory, all the honor and all the praise.
