DO GOOD | THE BRIDGE

# ANNUAL REPORT

This past year, we have seen God move in powerful and undeniable ways through the **DO GOOD**. Our mission at The Bridge is simple yet profound: *to invite everyone to know and follow Jesus*. Throughout this year, we've seen that mission come alive—extending compassion to the hurting, serving our neighbors, participating in global missions, and helping individuals take the next step in their journey of faith.

In **Acts 1:8**, Jesus calls us to be His witnesses—not only in our own backyard but across the world, and this is the heartbeat behind all we do through DO GOOD. God is stirring within our church family, moving us to step out in faith and embody the love of Christ in practical, life-giving ways.

One of our values at The Bridge is being **Hope Carriers**—people who don't just speak of hope but live it out. That's the essence of DO GOOD, becoming a vessel for Christ's compassion and a spark for transformation in the lives of others. Through prayer, serving, giving, and going, we are choosing to **live out our faith** in action.

Our hearts echo the words of Hebrews 13:16: **"Do not neglect to do good and to share what you have,** for such sacrifices are pleasing to God." As we give, serve, and love generously, we bring hope - Jesus - to the world around us.

As you read through this report, may you be encouraged and inspired to keep carrying hope—here and around the world.

Through our global partnerships we are able to connect with many areas of the world including **Guatemala, Nicaragua, Peru, Pakistan, Sri Lanka, and India**. Many of our partnerships are connected with un-reached people groups and carry the HOPE of Jesus into areas where people have not yet heard about Him. Over the last year we were able to go on **4 global trips** (over 40 participants), sharing the gospel with nearly **1,000 people**, and **217** came to faith in Jesus. In addition to our trips, through our Global DO GOOD Partners we provided **52,000 meals**, support a school of over **100 students** in Nicaragua, church planting efforts in Peru, and relational evangelism in Pakistan. # Hurricane Beryl

In **July 2024 Hurricane Beryl** hit our community and caused power outages and damages to homes and property. This left many without food and water. As a team we came together to build a plan for The Bridge to respond in order to help. We began to pair needs with resources and it was amazing to see The Bridge step up in a big way. From equipment to gift cards, clean up to repairs - the church was there for one another, reminding us that we are not alone.

Through your generosity, time, and efforts we were able to serve **over 70 families**, rebuilding, restocking the fridge, providing clothes, and much more.

We are **HOPE CARRIERS!**

**Did you know:** We have a Director of Care, Greg Tyler, that walks through planning a funeral for your loved one, an upcoming wedding, and other needs as they arise. We are here to support and walk with you and your family. Over the past year we have served **over 20 families** with benevolent financial support, as well as overseeing funerals and weddings for our partners.

# Small Groups

December 2024

Each year at Christmas time, **Small Groups** at **The Bridge** are given the opportunity to **DO GOOD**. Each group is given funds to use to serve in our community. This past December, our small groups showed up big!
