The screenshot shows a mobile browser interface for my.simplegive.com. At the top, there's a status bar with the time 3:03 and signal icons. Below the address bar, there's a text input field labeled '\$ Amount' and a button labeled '+ Add Donation'. Under the heading 'Recurrence', there's a subtext 'You can edit your recurring gift anytime.' followed by three input fields: 'Frequency' (a dropdown menu), 'How Many Gifts (optional)' (a text input), and 'Start Date' (a text input). The 'Start Date' field is circled in red, and a red arrow points to it from the right. At the bottom, there's a blue button labeled 'Submit!'.

8. Optional: Choose how many times you want to give. If you leave this blank, your gift will be ongoing until you decide to cancel.

This screenshot is similar to the previous one, showing the same mobile browser interface. In this step, the 'How Many Gifts (optional)' text input field is circled in red, and a red arrow points to it from the right. The 'Start Date' field is now visible below it, and the blue 'Submit!' button remains at the bottom.

9. Click the blue Submit button on the bottom of the page!
