Upcoming Pornography Discussion

Pornography has been and continues to be a major threat and obstacle in society and in the church. The elders would like to have an all church meeting with a panel discussion on pornography and address questions you might have. With the rise of AI porn and the widespread availability and access to porn, our hearts desire is to warn and equip the church to faithfully obey and honor the Lord in this digital age. We are asking for questions you might have that we can address to better serve you and make this a profitable evening. If you have questions related to this topic, please submit them on our website using the link to the form below. We will keep you posted on when this roundtable will happen.

The Biblical Epic: Old Testament Roots and New Testament Fulfillment

Sunday, November 16th at 10:30am in the East Auditorium

Join us at 10:30 AM each Sunday in the East Auditorium, as we begin a new class taught by Rick Carmickle tracing the story of redemption from its Old Testament roots to its New Testament reality fulfilled in Jesus Christ.

This week's class, **The Tabernacle: God's Dwelling Place**, will take a deep dive into the biblical Tabernacle. The Tabernacle, as described in the book of Exodus, was the portable sanctuary that served as the dwelling place of God among the Israelites during their wilderness journey and early settlement in Canaan. In the life of the Israelites, the Tabernacle was the center of worship, national identity, and divine guidance. From a theological perspective, the Tabernacle finds its ultimate fulfillment in Jesus Christ. The Gospel of John declares that "the Word became flesh and dwelt among us" (John 1:14); the Greek term for "dwelt" literally means "tabernacled." Join us for this fascinating discussion that connects the dots of Scripture.

Marriage Mentoring

Are you newly married and feel you would like a little guidance as your relationship grows and changes? Perhaps you have been married long enough that busyness and complacency has created drift and your relationship is 'just OK'. Have you lost a child, in a blended family, or other major life event and would like to connect with another couple who understands the unique challenges you face? Maybe you are in a healthy marriage but want it to be even better.

LBC has trained marriage mentors with life experiences to encourage you no matter how you would describe your marriage. Mentors will be there to cheer you when you are doing well and help give attention to areas you want to strengthen so that small irritations don't become major issues. There is usually a lot of laughter and sometimes tears, as couples share from their hearts.

The plan is for a mentor and mentee couple to meet once a month for a year to explore topics such as Money, Pace and Priorities, Gratitude and Forgiveness and others. You choose the topic each month.
