Marriage Mentoring

Are you newly married and feel you would like a little guidance as your relationship grows and changes? Perhaps you have been married long enough that busyness and complacency has created drift and your relationship is ‘just OK’. Have you lost a child, in a blended family, or other major life event and would like to connect with another couple who understands the unique challenges you face? Maybe you are in a healthy marriage but want it to be even better.

LBC has trained marriage mentors with life experiences to encourage you no matter how you would describe your marriage. Mentors will be there to cheer you when you are doing well and help give attention to areas you want to strengthen so that small irritations don’t become major issues. There is usually a lot of laughter and sometimes tears, as couples share from their hearts.

The plan is for a mentor and mentee couple to meet once a month for a year to explore topics such as Money, Pace and Priorities, Gratitude and Forgiveness and others. You choose the topic each month.

To find out what people are saying about the Marriage Mentoring program or to learn more, please follow this [LINK](#).
