On Sunday, we begin a new worship series called **Words of Wisdom** where we will be looking at various passages from the book of Proverbs. There are a lot of smart people in our world, but sometimes smart people aren't wise. Before anything else makes sense in life, you must first have a holy reverence for God. To fear Him is to properly see your position before Him, and His position before you. When we live our lives without the awe and wonder of God, we run the risk of making everything harder than it should be. A successful life means *Beginning with Wisdom*.
