

VISION **SUN DAY**

Our Vision: You, Neighbors, Nations

At Bay Area, our vision is to help change the world by advancing the gospel in **you**, your **neighbors**, and the **nations**. Jesus invites us into the greatest mission of all time: bringing the Good News to every person, in every community, in every nation.

Jesus is still seeking. From Zacchaeus to our neighbors today, He sees the lost and calls them by name. And His plan hasn't changed. God desires to partner with His people – to work through us to reach others.

Our Priority This Year

As disciples of Jesus, we are all on a journey to become more like Jesus and help others do the same. That includes those who don't yet know Him and those who do.

This year we want to help and equip every single person in our Bay Area family to be Good News People and to take their next step in showing and sharing the Good News of Jesus, so that others might live.

Imagine with us...

► **Lives Transformed**

Like Zacchaeus, it starts one life at a time. And as each person encounters Jesus, imagine the ripple effect of many being added to His family.

► **Local & Global Reach**

Expanding eternal impact right here and around the world.

► **Kent Island**

Bringing the Good News within reach of thousands across the Bay Bridge.

► **Debt Free**

Paying down our Annapolis Campus to free up resources for future generations.

Your Next Faith Step: Fueling the Vision

God's vision requires His provision, and He invites us to partner with Him through our generosity. This isn't just about meeting a budget; it's about equipping more "Good News People" and helping more "Zacchaeuses" be found.

Prayerful Consideration

This week, we invite you to take time to ask God what part He wants you to play. As you reflect, consider these questions:

► **If you haven't yet given,**

what would it look like for you to take a step of faith and begin giving as a part of your discipleship to Jesus?

► **If you are already giving,**

how might God be inviting you to take another step? Perhaps it means increasing your financial commitment to God's work through Bay Area Community Church?

► **For those who have been blessed with more than enough,**

what could you cheerfully give to accelerate this vital work?

Ask yourself, "How might my generosity help others come to know Jesus and grow to be more like Him?"

Our Current Reality and Goal

To sustain this mission and fuel our growth, we need to increase annual giving at our Annapolis Campus by **\$322,347** this year. While this number may seem daunting, imagine the impact if we all took a step together. If each household were to increase their giving by just \$50 a month, we could meet this goal and accelerate our mission.

Let's live on mission together, bringing the Good News to the people all around us!
