

**Spring Green Community Church High School Youth Mission Trip 2026**  
**Colorado Springs, Colorado / July 11-19**

What will I be doing on the trip?

Next Step Ministries partners with local organizations in and around Colorado Springs, CO. We will most likely be doing a construction project. We will get more details about our specific work project as the trip gets closer.

Cost

We plan that the out-of-pocket cost will not be more than \$275 per student after fundraising.

The total trip cost is more than that...

Projected Cost Per Person

|                                |                                  |
|--------------------------------|----------------------------------|
| Fee to Next Step Ministries    | \$509                            |
| Transportation                 | \$200 (depends on # of students) |
| Lodging/Food getting to & from | \$100                            |
| T-shirts                       | \$15                             |
| Site-seeing                    | \$50                             |
| Total                          | \$874                            |

**MONEY IS NOT A REASON TO NOT GO!!! Scholarships are available.**
