Casas por Cristo

On the 22-24 of October a team from FBCEP will be joining with First Baptist Church Decatur on a house build in Juarez. Please pray about joining this team in this mission effort that will also include a two day VBS type Bible Club for children and 1-2 days medical clinic. We are thankful to the Quilting Ministry ladies who are making the curtains for the house. Please contact Mr. Wiggs, Juan Ortiz or Edgardo about any questions regarding this mission trip. Please go ahead and register for this trip on our website asap.

Thanksgiving Baskets

Thanksgiving is around the corner! Please be praying about how you or your Sunday School class can help donate toward 150 Thanksgiving baskets! The plan is to prepare baskets on Wednesday evening November 19th and deliver on Friday morning November 21st. Please visit fbcep.com/missions for more info on how and what to give and where you can make donations.

Visit fbcep.com/missions for more information.

YOUTH

We are halfway through the Fall semester, and it has been a great year so far! Our campus clubs at Wiggs Middle School and El Paso High School continue to grow, and we have been learning a lot about prayer through "The Mix" on Wednesday nights.

September 24 was "See You At The Pole," the global day of prayer for schools. Many students from FBC Youth participated in prayer at their schools, and we had a special Worship & Prayer night to pray for our schools and our spheres of influence.

22 high school students are participating in our Discipleship Hub on Sunday evenings, learning about spiritual disciplines, growth, and influence.

As we approach Fall break, please continue to pray for our youth, that they will experience that love and the life of Jesus and choose to be world changers for the glory of God!

COLLEGE

Our College ministry continues to grow as we engage 18-24 year-olds in community and Biblical growth. Jake and Anabel Renteria have opened their home to host and lead our Wednesday Home Groups, and more than 20 students are coming for dinner, worship, discussion, and accountability. Our team of leaders and teachers are also challenging our students to understand and apply Biblical Truth in every area of their lives through solid teachings on Sunday mornings.

In partnership with FBC Youth, the college group joined in on "See You At The Pole" to pray for schools (and workplaces) on September 24, and several FBC students will be involved in BSM El Paso's Fall Retreat October 10-12 at Aspendale Camp. Please pray for our college students as they navigate life and faith. Ask God to give them a hunger for His Word and wisdom to make the most of every opportunity in their lives.

Prayer Focus

Sub-Saharan African Peoples: Nigeria, with a population of more than 228 million people, is the most populous country of sub-Saharan Africa. International Mission Board personnel in this country are limited. Pray that God would call someone willing to move to this country to oversee a vision of reaching the many unreached people groups found there. Also, pray that more local believers in Nigeria would mobilize to reach the lost across their country.
