GETTING STARTED

Is there anyone in your life who has been an example of what helpfulness looks like? Who is it, and what exactly did they teach you?

DISCUSS

When's the last time you saw selfishness in yourself? What were you being selfish over?

[Acts 2:43-47](#)

- What aspects of your daily routines reflect the church as described here in Acts 2? In which areas do you want to improve?
- How does the idea of living in community resonate with you?
- On a scale of 1-10, how would you rate your attitude of sharing with others 'with great joy and generosity'?

Have you personally experienced tension between investing in the here and now versus making eternal impacts, especially in the context of family and community?

How do you see yourself making an eternal impact in your daily life through interactions with others?

DISCUSS *(continued)*

Read [James 1:27](#).

- What is 'pure and genuine religion'?
- Now, read [James 1:19-27](#).
 - Which of the following do you find most success in? More room for growth?
 - "You must all be quick to listen, slow to speak, and slow to get angry."

Lance spoke about the four initiatives below. Which do you feel most passionate about, and why?

- Mental Health Care and Support, Village School Partnerships, Flourishing Neighborhoods, Flourishing Churches and Leaders
- What is the benefit of a network of churches like *Within Reach*? How do these initiatives reflect what we read about in Acts 2:43-37?
- What acts of hospitality do you think would surprise our community?
