GETTING STARTED

With the polar temperatures we have been experiencing, what have you been doing to stay sane?

DISCUSS

When you get your paycheck, what is the first thing you decide to spend that money on? Does this mirror where your heart should be?

Do you lean towards a "taker" mentality when you come to church?

- How do you think society has impacted your way of thinking about taking vs giving?

Read [1 Timothy 6:17-19](#).

- How do you reconcile the practical need for money with God's call to not trust in your money?
- With the above question in mind, what impact can generosity have on your community? How can this change your heart and show that all your resources belong to God?

DISCUSS *(continued)*

As we consider pooling our resources as a church, how can one small change in our generosity make a huge impact?

Has there been a time in your life that someones generosity has made a huge impact on your life?

- On the flip-side, how has your generosity changed your life?
