What You Need

- ☐ "Bible Bookmarks" Activity Page
- ☐ Coloring supplies
- ☐ Yellow highlighters

Inclusive Pro Tips

Use simple definitions for unfamiliar words, such as "obey" or "law." You might say something like, "God's law means the things He tells us to do, like sharing, being kind, and listening to our grown-ups."

What You Do

1. Give every kid a bookmark from the "Bible Bookmarks" Activity Page and a yellow highlighter.
2. Set out the coloring supplies.
3. Read Psalm 1:1a, 2b (NIRV) on the bookmarks together!

Create Together:

- Assist the kids with writing their names on their bookmarks.
- Invite them to color the flashlight with markers and use the yellow highlighters to color in the beam of light.
- As they color, walk them through a recap of today's Bible Story about David and the Psalms.

Bible Story Recap:

1. David was still a boy when God chose him to be the king. He wasn't the tallest or the strongest, but God picked David because he had a heart that loved God!
2. As David grew older, he made some mistakes, but he always turned his heart back to God. David loved God so much that he wrote songs and prayers to Him.
3. God loved the songs David wrote so much that they're in a book of the Bible called Psalms! There are 150 psalms in the book of Psalms, and David wrote a lot of them! The book of Psalms is filled with songs of praise about God.
4. David probably didn't write the psalm that's on your bookmark, but he definitely knew the truth that the psalm teaches.
5. David spent his whole life getting to know God as his friend and following Him. David loved God. Why? This psalm on your bookmark tells us part of the reason why.
 - Read Psalm 1:1a from the bookmark and share, "Wise people do what God says!"
 - Read Psalm 1:2b from the bookmark and share, "Wise people focus on what God says!"
6. The writer of this psalm knew this, and so did David: God is good, and His ways are good. What God says to do is good. That's why David loved God so much. And if you follow God and His ways, you'll be wise!"

What You Say

"Awesome job, friends! Great job coloring your flashlights! What do flashlights do? (PAUSE FOR RESPONSES.) Right! They light up our way! They help us see better so we don't bump into things and get hurt!"

"You see, God is good, and His ways are good. That's why David loved God so much. And God wants to guide us through life well. That's part of the reason why He gave us the Bible, to guide us through life well. He wanted His wisdom to shine a light on the path of our lives."

"God is the wisest. And as God's friend, as you follow Him and His ways, He will guide you throughout your life to the best way to live. Take these bookmarks home and place them in your Bibles to remind you that if you want to be wise, focus on God!"

Make It Personal -> Share a Scripture you cling to from the Bible. Why is it your favorite? What does this verse teach you about God? How does it guide you to the best way to live?

What You Need

- ☐ Butcher paper
- ☐ Markers

Inclusive Pro Tips

Be ready to offer ideas if a kid can't think of someone or something to share. (For example, you might say, "You know who I learn from? My pastor!")

What You Do

1. Draw the outline of a large open Bible on the butcher paper (or piece of poster board).
2. Lay the butcher paper (or piece of poster board) flat on the floor or on a table where everyone can gather around it.

Connect Together:

- Point to the drawing of the Bible on the paper.
- **Say**, "One of the reasons God gave us the Bible, His Word, is to help us know what wisdom is. God is the wisest! And He wants us to be wise so we can live the best way because He loves us."
- **Ask**, "Where do you hear God's Word?" (Encourage responses, like: when they read the Bible, watch a Bible Story video, attend church, talk to a grown-up, or listen to worship music in the car.)
- As the kids answer, write the ideas around the outside edges of the paper.
- **Say**, "Another way to grow in wisdom is to hang out with people who love God and make wise choices!"
- **Ask** the kids to name people they know and trust who follow God (parents, Small Group Leaders, older siblings, teachers, coaches, etc.).
- Write those names on the outside of the paper too.
- Draw an arrow pointing to the Bible's center from each of the kids' answers.

What You Say

"Wow, look at all the amazing ways we can discover more about God and grow in wisdom. Like when you watch a Bible Story video, listen to worship songs, or hear a grown-up you trust share about Jesus. Those words you hear? They're inspired by the truth—the Bible!"

"God gave us all of these different ways to hear His Word and find wisdom because God wants us to live the best way!"

"And guess what? You don't have to live out all of this wisdom that you hear by yourself! When you choose to follow Jesus, God's Holy Spirit moves inside of you. That means even when your Bible is closed, the Holy Spirit can remind you of what's true, and help you make wise choices! The wisest One lives inside of you, and He will help guide you to the best way to live!"

"When you're in a tough moment—maybe you feel left out or you're not sure which decision is God's way—you can ask God for help and He will help you! He wants to help you live the best way! If you want to be wise, focus on God!"

Better Than Silver & Gold

What You Need

☐ Bibles marked at Proverbs

16:16

☐ Fake gold

Inclusive Pro Tips

If it works best for your group, say the Memory Verse together as the gold bar is passed to each kid.

What You Do

1. Invite the kids to sit with you in a circle.
2. Give every kid a Bible.
3. Lead them to find Proverbs 16:16 using the Bible Navigation Tips.
4. Repeat the verse together several times and review any words that might be unfamiliar to the kids.

Talk Together:

Lead a brief discussion on gold and silver. Ask:

- “Gold and silver are known as ‘precious metals.’ What do you think that means?” (It means they’re valuable! Gold and silver are used to make things like coins and jewelry.)
- “In Proverbs 16:16, it says that wisdom is worth even more than gold and silver. Why do you think that’s true?” (God’s wisdom lasts forever. No one can take it away! And it is more precious and better than anything—even gold and silver!)

Explore Together

1. Hold up the fake gold for the kids to see.
2. Say, “We’re going to pass this pretend gold around. When it comes to you, you’ll recite the next word from Proverbs 16:16!”
3. Repeat as time and interest allow. Try going slow and faster!

What You Say

“What an amazing verse. God is the source of ALL wisdom. There isn’t any question God can’t answer, and there’s no problem God can’t solve. He is the wisest! And He wants to give us wisdom. He wants to give us something so precious, it’s more precious than silver or gold!”

“So when we need help and guidance and wisdom, we can always count on God. Put your attention on God and His ways. Read the Bible, God’s Word. Do what God teaches you to do. There are so many things that will try to steal your attention, but always remember where wisdom comes from—God. He wants to give you precious, precious wisdom! If you want to be wise, focus on God.”

*Finding verses with Kindergarteners

1. Guide children to open their Bibles to the marked page.
2. Point to the book name at the top of the page as you say it aloud.
3. Guide them to find the big number on the page—this is the chapter number.
4. Guide them to look under the big number for the little number; this is the verse number. Tell them to leave their finger on the verse as you read it aloud.
5. Lead everyone to say the verse together.

What You Need

Inclusive Supplies

- ☐ Index cards
- ☐ Pencils or adaptive writing tools

Inclusive Pro Tips

Give each kid an index card and a pencil or adaptive writing tools. This can be helpful for kids who may process better through writing or drawing!

What You Do

1. Gather the kids in a seated circle.
2. Say, "Today we discovered if we want to be wise, focus on God! One way we can focus on God is by talking to Him through prayer. Prayer is a conversation we can have with God anytime, anywhere, about anything!"
3. Invite the kids to close their eyes.
4. Share several ideas out loud of things they can talk to God about quietly.

Prayer Prompts:

- Tell God how much you love Him!
- Thank God for giving you the Bible so you can learn what's wise.
- Ask God to help you stay close to Him so you can keep growing in wisdom!
- Thank God for someone you trust who follows Jesus and helps you grow closer to Him and live more like Him.

We love You, and we pray these things in Jesus' name. Amen."

Transition → As adults arrive to pick up, invite the kids to show off their bookmarks and talk about today's truth: If you want to be wise, focus on God!
