

WEEKDAY PRESCHOOL **INFORMATION**

2023 - 2024

Where children are treasured.

Children are true gifts, and Woodhaven offers a weekday preschool program for families in our church and in our community. Our purpose as a preschool is to introduce your child to an environment that encourages the development of social relationships, to provide play experiences that contribute to the developmental needs of your child, and to provide instructed learning based on your child's individual needs and abilities. Our caring staff is committed to providing a happy, fun, accepting and safe environment for your child. We provide opportunities for your child to grow spiritually, mentally, socially and emotionally in a Christian environment.
