

KIDVENTURE

Expedition: Big Opportunities for Little Leaders!

We're excited to offer an opportunity for kids in 3rd-5th grade to serve at church! Serving is completely voluntary and not a requirement—it's simply an invitation for kids who want to participate. We encourage you to talk to your child about these opportunities and explore the roles below.

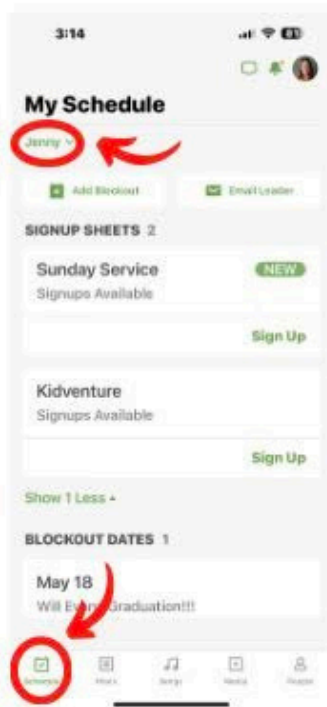

Important Information

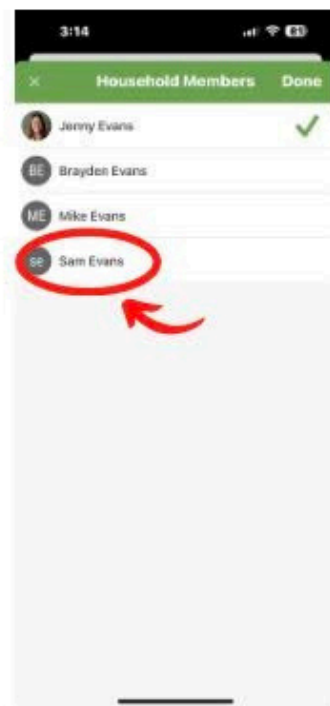

Arrival: All kids serving in any role should arrive 15 minutes before the service begins to briefly meet and pray as a team. Meet in the Expedition room. Please do not arrive earlier than 15 minutes before service begins because adult volunteers have their huddle beforehand.

Signing up: Kids can now sign up to serve directly through Planning Center! Download the Services app and follow the steps on the back of this page.

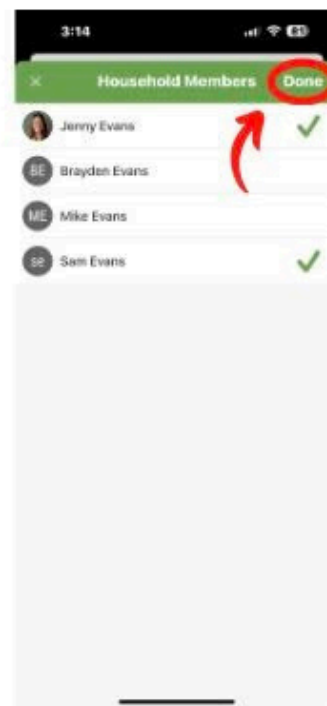

Before you will be able to sign your child up on Planning Center, I will need to add them to the team first. If you would like your child to be added, please email jada.rhodes@adventure.church and let me know your child's name and what role(s) they would like to serve in.

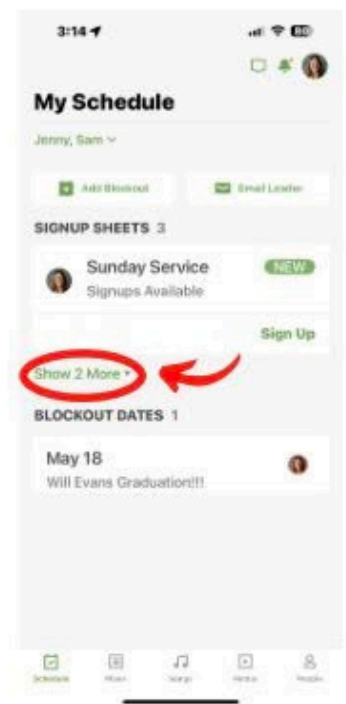

Click the schedule tab, then click your name.

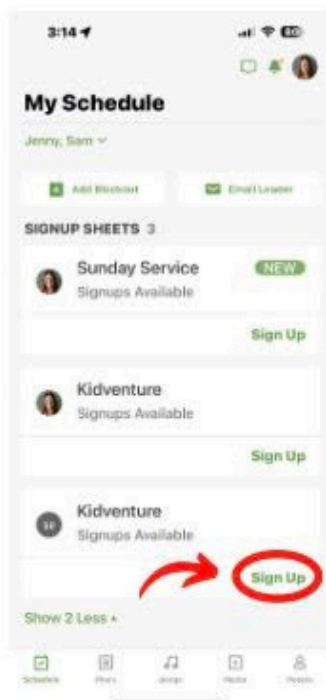

Click your child's name. A checkmark should appear next to their name.

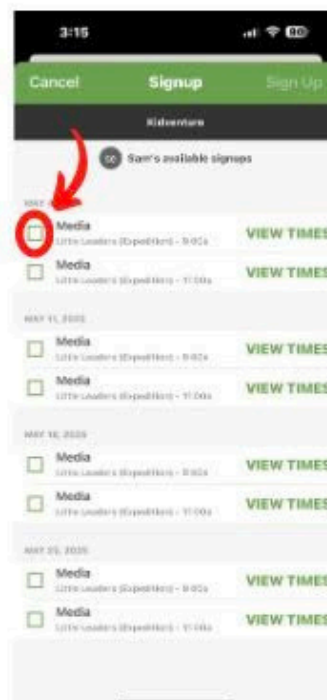

Once there is a checkmark next to the child's name, click the done button.

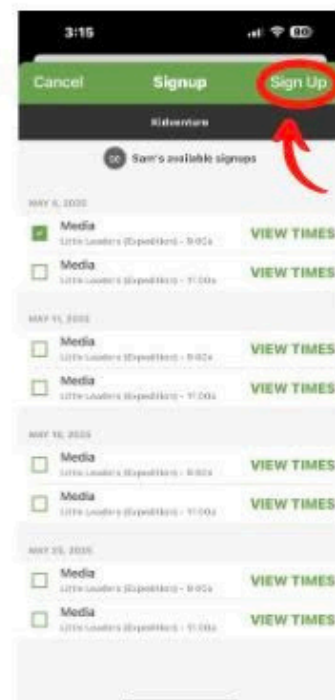

If you have your own signups, you may need to click "Show More" to see the child's signup.

Click the Sign Up button next to your child's initials or picture. It should be titled Kidventure.

Click the box next to the date, time, and position that your child would like to serve in.

Once you've checked the box(es) that your child would like to sign up for, click the Sign Up button.
