A GENEROSITY ADVENTURE

We're deeply grateful for all that God did in 2025. It truly was a year of breakthrough — a year where we saw His faithfulness at work in powerful ways. We couldn't have done it without the heart, service, and generosity of so many who make Adventure Church what it is.

As we look ahead to 2026, our hearts are full of expectation for all that God has in store. The vision before us is bigger than any one of us, but together, we believe we'll see Him move in even greater ways. We hope this magazine stirs your faith and inspires you to be part of the incredible story God is writing through Adventure Church. We are humbled and honored to lead this amazing church family and can't wait to see all that God has NEXT. We know the best is still yet to come!

We love you,

Pastor Kyle and Jess Hammond

GIVING LADDER

WHAT'S NEXT FOR YOU?

EXTRAVAGANT GIVER

Someone who gives above and beyond the tithe, joyfully seeking opportunities to make an even greater impact through radical generosity.

TITHING GIVER

Someone who faithfully gives 10% of their income to God through the church, trusting Him fully with their finances and prioritizing generosity first.

CONSISTENT GIVER

Someone who gives intentionally and regularly, with a plan or system in place, whether that's a set amount or percentage, to make generosity a consistent part of their life.

OCCASIONAL GIVER

Someone who gives from time to time, often in response to specific moments or needs, but hasn't yet established a consistent pattern or plan for giving.

POTENTIAL GIVER

Someone who hasn't yet begun giving but is exploring generosity and considering what a first step of faith could look like.

NEXT

A GENEROSITY ADVENTURE

NEXT is our generosity adventure—where faith and action meet. It's about each of us taking our next step in generosity as we fund the next chapter of Adventure Church and make a lasting impact in our community and around the world. We're believing together for more, trusting that God is leading us forward into what's next.

STOCK DONATIONS

give stock, save taxes, give more

Maximize Kingdom impact by giving appreciated securities instead of writing checks.

In some cases, giving a stock gift may make more sense for you as a donor. If you are currently making cash donations, but also have appreciated stocks or mutual funds in a taxable investment portfolio, you likely have a significant opportunity to pay less tax, give more, improve your personal cash flow and simplify your giving.

TRADITIONAL GIVING USING CHECKS

1. Start with \$10,000 in cash
2. Write checks to ministries for \$10,000
3. Receive a \$10,000 charitable deduction
4. Keep track of every tax receipt manually
5. Continue to pay capital gains tax in your portfolio (now or later)

MORE GIVING USING STOCK

1. Donate \$10,000 of stock
2. Receive a \$10,000 charitable deduction
3. Shares are sold by Adventure Church tax-free
4. Re-fund your portfolio using \$10,000 cash (reset basis!)
5. Use tax savings to give more!

IMPACT OF A NEW APPROACH

MULTIPLY YOUR IMPACT

- Less tax — You eliminate capital gains tax on the donated stock (\$1,000 saved assuming \$5K cost basis with 20% tax)
- More giving — You increase your giving capacity by eliminating current or future tax exposure
- Reset your cost basis — Still like the stock? Use your cash to repurchase the same stock or mutual fund
- Tax-free rebalancing — Your investment advisor can rebalance your portfolio with no tax consequences
- Improved personal cash flow — Using tax savings to give more increases your charitable deduction
- Tax-free growth — Gifts invested inside your Giving Fund can grow tax-free
