

# **Sunday and Wednesday Night Growth Groups 2026**

**February 8-March 15**

## **Sunday Nights at 5PM beginning Feb. 8**

### **Women's Study**

#### ***Covenant***

Facilitated by: Charly Gore

#### **Fellowship Hall**

No study has ever been more life-changing than this one! Nothing ties God's Word together more than covenant, because EVERYTHING God does is based on covenant. Even His Word is divided into two covenants- the Old Testament and the New Testament. You will be thrilled to learn what it truly means to belong to God, to truly be forgiven, and to have the life of Christ living within you- all because of a covenant (a solemn, binding agreement) God cut for you. There are no books to purchase. Bring your Bible, notepad, and a pen. Even though I've taught this study many times, the response has been the same- "The Bible has literally come alive to me!!" Please come join us!!

### **Men's Study**

***Experiencing God***—By: Henry, Richard and Mike Blackaby and Claude King

**(Please contact Tom or Carter if you're planning to attend, so books can be ordered.)**

Facilitated by: Tom Garrett and Carter Williams

#### **Room S201**

What does it mean to know God in a personal way and experience Him to the fullest? In John 10:10, Jesus says, "The thief comes only to steal and kill and destroy; I came that they may have life and have it abundantly." This class is not about health, wealth, and prosperity, but rather how to better understand how God communicates to us through His Word. We'll recognize God's work in our lives, trust God and His promises, identify God's calling on our lives, set down spiritual milestones and respond to God's will through faithful obedience.

This course will be divided into two semesters (one in the fall), each containing six in-group sessions, independent study, and interactive discussions. Each participant will need a book, and a \$20 donation would be greatly appreciated. (This book will be used for both semesters). Please don't let the cost of a book stop you from taking the class.

### **Multi-Generational Study-6<sup>th</sup> Grade through Adults**

#### ***Seeing and Savoring Jesus Christ***

Facilitated by: Dr. Luke Tolar

#### **S202-203**

The complexities of Christ are far beyond what our finite minds are capable of comprehending. He is the One through whom "all things came into being" (John 1:3), the One who calmed the raging sea (Mark 4:35–41), was the Suffering Servant (Isaiah 53:3–6), and is the soon coming

conquering King (Matthew 24:30–31)! This class is designed to help us know and understand more about our Savior and grow in faith and love for Him.

**Multi-Generational Study-6<sup>th</sup> Grade through Adults**

***Rooted in Worship***

Facilitated by: Randy Godfrey

**Room S204-205**

Worship is usually viewed as something believers do on Sundays and Wednesdays and at a conference or retreat. But worship is not confined or defined by a one time or weekly event. Worship is a lifestyle! Worship was designed to be incorporated into every facet of our lives.

*“So, whether you sleep or drink, or whatever you do, do it all for the glory of God.”*

(1 Corinthians 10:31).

In this study, we will look at some Biblical principles of worship while we discuss the obstacles in our heart that keep us from having the proper perspective in our personal and corporate worship.
