## DISCUSS

Read Psalm 23 and identify how God's people experience divine comfort.

How did Paul experience comfort in 2 Corinthians 7:6-7?

## APPLY

Sometimes we look for comfort in the wrong places. Where do you seek comfort when you should seek the Lord?

Has your heart ever refused to be comforted (Psalm 77:2)? Explain why.

Why is God the only source of sufficient comfort (Psalm 77:10-15)?

How can you use the comfort you have received to comfort others? Be specific (e.g., 2 Corinthians 2:6-7; 1 Thessalonians 5:14).

## COMMIT

Prayerfully be on the lookout for those who need to be comforted. Be prepared to give a call, write a card, deliver a meal, or do something else to express comfort and care.
