

SERMON NOTES

Galatians 2:1-10

BIG IDEA: Because there is only one gospel, we must know, defend, proclaim, and live it faithfully before all people.

APPLICATION GUIDE

DISCUSS

Why did Paul go up to Jerusalem and take Titus with him?

Why was it significant that the church leaders did not force Titus to be circumcised (v. 3)?

Imagine if he had been. How would the "truth of the gospel" (v. 5) have been compromised?

How is the church's unity expressed among gospel proclaimers in verses 7-9?

How does caring for the poor express our love for Christ and the gospel (v. 10)?

APPLY

How can you recognize "false brothers" in the church today (v. 4)?

Have you ever experienced the imposition of unbiblical rules on your spiritual walk with Christ? What effect did it have?

How can you keep yourself from yielding to things that lead to spiritual slavery (v. 4, 5)?

How can you proclaim the gospel in unity with other believers who have been called to a different context or perhaps have a different style of ministry?

COMMIT

What can you do to help a poor person or family this week?
