

SERMON NOTES

LAW AND PROMISE

Galatians 3:15-29

BIG IDEA: Because being loved as a child of God is based on His promise, not His Law, we are saved by faith, not obedience.

APPLICATION GUIDE

DISCUSS

In what ways is the Law God gave through Moses inferior to the promise God made to Abraham and his offspring?

What is the purpose of the Law?

How is the Law complementary to God's promise?

APPLY

What role should God's moral Law play in your life today?

How should being a "son of God" by faith in Christ change the way you approach God, especially when you sin?

How should the fact that all believers are "one in Christ" influence how you view and treat other Christians (v. 28)?

COMMIT

Read Matthew 19:16-13. How did the rich man wrongly see his obedience to the Law as life-giving? How does Jesus confront his idolatry? What hope does Jesus give you if you put your faith and trust in him? Will you commit to trusting him today?
