**Galatians 4:12-20**

BIG IDEA: Making mature disciples of Jesus might be one of the most difficult things we do for the Lord, but if we labor faithfully, it will also be the most satisfying.

## DISCUSS

In what way does Paul want the Galatians to become as he is?

How had he become like them for the sake of the gospel (cf. 1 Corinthians 9:19-22)?

What made Paul's relationship with the Galatians difficult, and how might we experience similar difficulties today as we seek to make mature disciples of Jesus?

## APPLY

What are some of the hardest things about being a disciple-maker?

What are the greatest joys you have experienced in discipling others or being disciplined?

Is there someone God wants you to disciple? What is one step you can take to help them take the next step toward Jesus?

## COMMIT

Pray through one or more of the following passages for those you are discipling or hope to disciple one day (Ephesians 1:15-2; 3:14-21; Philippians 1:3-11; Colossians 1:3-14; 1 Thessalonians 3:9-13; 5:23-24).
