

SERMON NOTES

A SUFFICIENT GIVER

2 Corinthians 9:1-15

BIG IDEA: Give generously to others, and God will reward you well so that you can give even more generously for His glory.

APPLICATION GUIDE

August 7, 2022

DISCUSS

In what ways is Christian giving like the sowing of seed?

What is God's indescribable gift? Why did Paul mention it in this context?

APPLY

Which of the principles of generous giving do you find most challenging?

What can you do to be a more cheerful giver rather than a reluctant one?

How do the rewards of generous giving motivate you to be even more generous as you have the opportunity?

Prayerfully go before the Lord and ask him to help you establish a regular habit of giving to the church, missionaries, and people in need. Give willingly as the Spirit moves your heart and give it faithfully.

COMMIT

Remind yourself of God's generosity when you are tempted to hold back from being a generous giver to others this week.
