DISCUSS

Why is Jesus better?

Why do Christians frequently need to hear and be reminded of the Gospel?

What is the purpose of Paul warning Christians, “*if* you continue in the faith” (v. 23)? See also Acts 27:21-32.

APPLY

What are some ways we tend to minimize our sin?

Why can it be helpful to remember what God saved you from? Share an example of what God has rescued you from.

How are you tempted to be passive in your holiness and pursuit of Christ?

How have you been you tempted to move on from Jesus this week?

COMMIT

Rehearse the Gospel daily this week. For help doing this, Milton Vincent wrote an excellent, short book called “A Gospel Primer for Christians: Learning to See the Glories of God’s Love.”
