

SERMON NOTES

CULTIVATING FAITHFULNESS

Selected Scriptures

BIG IDEA: Trusting in God's unwavering commitment to his promises provides a solid foundation for our faithful obedience to his will and faithfulness in our dealings with others.

APPLICATION GUIDE

October 15, 2023

DISCUSS

What is faithfulness, and why is it essential to a Spirit-filled life?

How does Scripture describe God's faithfulness (Deut 32:4; Ps 33:4)?

How is faithfulness displayed in the lives of people like Joseph (Gen 39:22-23), Moses (Num 12:7), and Daniel (Dan 6:4)? Keep the broader context of these passages in mind.

Can you think of other examples of faithful people in Scripture (Heb 11)?

APPLY

How has God been faithful to you over the past month?

How does his faithfulness motivate you to be faithful in the little things (Lk 16:10-12)?

What things tend to impede the cultivation of faithfulness in your life? Is apathy one of them?

Think of a difficult situation or relationship in your life. What does faithfulness look like? What is the *next right thing*?

COMMIT

Share this situation or relationship with another believer who is mature enough to keep you accountable to do the next right thing faithfully.
