## DISCUSS

What are the main reasons (do you think) that many people in our churches are not engaged in speaking the word to others in the church, home, or community?

Why isn't discipleship seen as an activity for every Christian?

## APPLY

Think of someone you know who is finding life hard in this fallen world, and pray about what you could do to help them take one more step toward Christ.

How could you demonstrate love for them?

What story could you tell from your life to point them to Christ?

How could you build an intentional relationship with them to walk with them as you both follow Jesus?

## COMMIT

Read *One to One Bible Reading* by David Helm. Prayerfully identify a person (or small group of people) with whom you could engage in a Bible reading relationship.
