

SERMON NOTES

CULTIVATING PATIENCE

Selected Scriptures

BIG IDEA: We can patiently endure hardship in life and bear with the faults of others because God is patient with us and works all things for our good.

APPLICATION GUIDE

September 24, 2023

DISCUSS

In what ways does the patience of God call us to repentance?

How does his patience help us be longsuffering with others?

Read James 5:7-11. Make a list of observations concerning patience in suffering.

APPLY

What kinds of things test your patience?

In what ways do other people have to be patient with you?

What value does patience have in your life both now and in eternity?

Identify one person you need to be patient with or circumstance you need to endure. What will this look like practically? What or whose help do you need?

COMMIT

Choose a Bible passage or verse to study and memorize this week to help you endure suffering or be longsuffering with someone.
