Pastor Michael Sweet

The “Preterist” Timeline

~ Reading the book of Relation as primarily describing past events ~

Postmillennialism

Understanding Postmillennialism

~ Significant observations about this interpretation of Revelation ~

According to this viewpoint the tribulation has already happened. Therefore specifying whether the rapture took place before, during, or after the tribulation is not very meaningful.

The time of tribulation is over and the world is improving as we usher in the New Creation. We are witnessing the world getting better through advances in technology, medicine, and quality of life.
