Class List

10 Women Who Overcame their Past - women's class (team teaching)

This summer, we are offering a women's ADS class based on the book 10 Women Who Overcame Their Past. Each chapter shares the story of a godly woman who faced significant trials yet continued to live out her callings by trusting in God's faithfulness, even in the darkest moments. This study will encourage us to view our lives through God's perspective—that all things are for our good and His glory.

Got Your Back - men's class (Jimmy Compton & Randy Gordon)

In a recent survey of 120,000 Christian men, an astonishing 95% answered no to the question "do you have a best friend?" Couple this with Scripture's warning in 1 Peter 5:8, "Your adversary, the devil prowls around like a roaring lion seeking someone to devour", and men are in a dangerous place. In our study of Got Your Back, we will consider the vital need for fellowship and accountability among Christian men and provide practical ways to develop an "iron sharpening iron" band of brothers.

Putting Things in Order, a study in the book of Titus (Pastor Paul)

As the early New Testament Church was being established, there were all kinds of questions related to how churches should be organized and how Christians should relate to one another and to the world. In one of his pastoral letters, Paul gave instruction to a young elder named Titus. The insight in this short book is of more value than the greatest of seminary courses.

Grandparenting (Jim Perry)

Have you ever thought about the Biblical role and responsibility in being a grandparent? Our desire is to equip you to overcome grandparenting obstacles, to equip you with practical ideas that will allow you to pass on your faith and provide a strategy for reaching the hearts of your grandchildren. We want to awaken you to the role no one else in your family can fill, God designed you to be a spiritual influencer to multiple generations. Some call me "Bubba!"
