

Our Global Church Partners in **Zambia**

Michael & Bernadette Boone

THEIR MINISTRY

Our desire was to start a movement of indigenous pastors training pastors as well as discipling their churches, and youth leaders training youth leaders as well as their peers. Using the Knowing God training material, God has multiplied our training classes from Lusaka (Zambia) and Lubumbashi (DR Congo), to 7 cities in Zambia, 3 in DR Congo, and one in South Africa. In some cities, 2nd & 3rd generation trainers are teaching new classes of pastors and youth leaders.

Pastors that have pastored for years, and planted churches are now saying, for the first time they know the God of the Bible, and they are renouncing their heresy. Youth leaders have deeper relationships with God and are impacting their peers.

Another goal is to make the ministry sustainable by setting up a business that helps young people.

OUR INVOLVEMENT

FBC has worked with the Boones for about seven years. Currently, the Boones are partnering with Cedric and Pauline Chippendale, and Ngandu and Debra Lunda to train and equip many pastors and youth leaders in Zambia, DR Congo, and South Africa.
