

Our Global Church Partners in **Ecuador**

— Juan & Tirisa Delgado

THEIR MINISTRY

Juan, Tirsa, Tallulah (7yo), and Sadie (4yo) minister at IGV Cuenca in the southern regions of Ecuador. It is the desire of IGV Cuenca (Grace and Truth Church Cuenca) to grow in the grace and knowledge of the Lord Jesus Christ and establish families in biblical truths. Established in 2008, IGV Cuenca is currently composed of approximately 40 families who meet during the week to study systematically and grow through discipleship. Through God's work in the church, they have been given the opportunity to train and prepare leaders of the Quichua tribe in Ecuador. As a result of these pastors being trained, there are studies with sound doctrine and biblical teaching being shared in over 300 Quichua churches.
