

Our Global Church Partners in **South Texas**

Oscar & Stella Garza

THEIR MINISTRY

Iglesia Biblica Camino Nuevo (I.B.C.N.). I.B.C.N. is a primarily Hispanic-serving ministry with the majority of their congregation being Spanish speaking. Although COVID has affected the number of members who regularly attend services, they have reached out to the public across Mexico and the U.S. by streaming all of their services (Sunday services, daily Bible study, and weekly evangelical studies) on social media.

OUR INVOLVEMENT

FBC has partnered with the Guerreros since 2013. We continue to make trips to further train and equip the church leaders.
